

The many understandings of trauma - illustrated by the COVID-19 pandemic

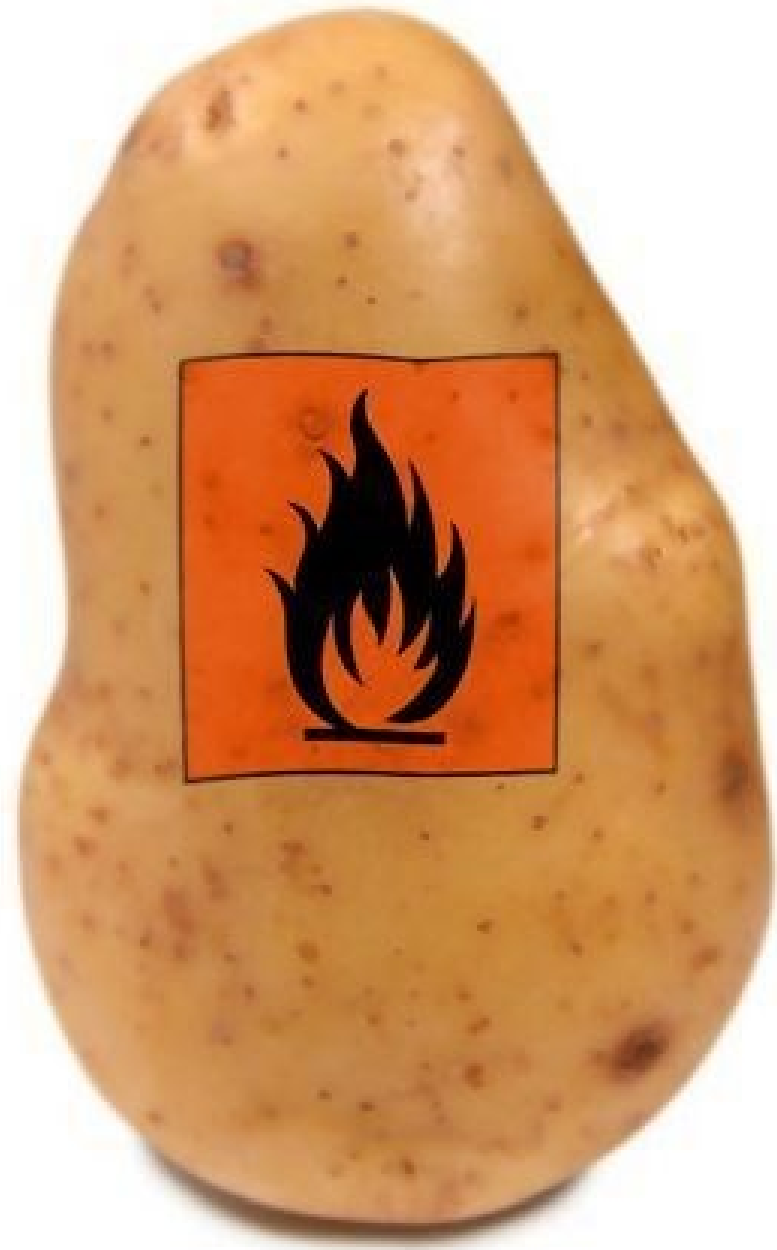

CEPI, 8-9 november, 2023

Sigrid Stjernswärd

Co-authors: Meier, M., O'Donnell, K., Wamsler, C.,
Åkerström, M., & Glasdam, S.

LUND
UNIVERSITY

Trauma - a hot potato?

Proposed guiding principles

- Trauma on multiple levels & interconnections
- Dominant social perspectives
- Past/potential future threats
- Integrative, individual, collective & system level approaches
- Inter-/transdisciplinary perspectives & research
